

Gift Box Project

Collection 16.11.2020

Over the past 24 years schools, companies and individuals have helped us give Gift Boxes to over 46.000 needy children in orphanages, schools, hospitals and those living well below the poverty line in Ukraine, Belarus and Moldova.

This year we need your help more than ever before. Due to the worsening situations and the spread of the Corona Virus making our boxes more Humanitarian aid than a simple Gift Box.

We think we have been restricted but at least we have home comforts! Not a dilapidated house, with no running water or electricity, no money, parents without work, little food, no schooling, all this and more. Plus, an uncaring virus to avoid.

Want to help? Then please make a Gift Box so we can give as many children as possible a little happiness and joy in these very difficult times.

Drop off dates for cash donations or supplies and other items now until 9th November.

For complete boxes 29th Oct -16th Nov.

Drop off address contact one of the team below.
Unable to accept anything after 16th Nov.
